Volume No. 1

Northeast Baltimore Bible Institute & College (NBBIC) is about getting to know God's word. God's word is about getting an individual into a relationship with Him. When one has a relationship with God he has the same dream God had from the very beginning. It's this dream that spurs one on to be a leader in the Kingdom. When one strives to be the best leader one can be, he encourages others to study God's word. By doing this more and more, people take hold of the dream God had from the very beginning. There is no excuse for one not to encourage others to study. As we begin another school year, remember a great person is a person who makes a small person great. Let's encourage and spur many more people onto knowing God's word and becoming great leaders in the process.

If you or anyone has longed for an opportunity to gain an in-depth knowledge of the scriptures, then the NBBIC will provide an opportunity to do just that. If you have searched for a biblically sound and well balanced study program, you need not search any longer. NBBIC will provide you with Bible instruction and classroom discussion in an environment that is void of harmful extreme options.

We utilize the Sunset International Bible Institute Extension Courses as a significant portion of our curriculum. All courses have study guides along with self-exam questions, which give guidance to our classroom discussion periods. Your level of participation is totally up to you.

If you are interested in working anywhere in ministry: evangelist, care groups, missionary, outreach, elders, small groups or any other ministry, you are invited to attend our school. We encourage you to contact us so that you can speak to a student advisor to determine the next step in achieving your goal. Our school is designed for adults desiring an in-depth level of study. It is our prayer that you achieve such growth. We look forward to hearing from you soon!

TEACHERS CERTIFICATION PROGRAM

The Teachers Certification Program is to equip the local Bible school teachers through our NBBIC Track Curriculums. This program from the Northeast Baltimore Bible Institute and College is designed to educate and train prospective and current bible school teachers in biblical history and elementary and secondary curriculum lesson planning certifications. This program will increase teachers' confidence. The five course classes required for certification are:

- Basic Christian Counseling
- Historical Christian Evidence
- Biblical Interpretation
- Scheme of Redemption
- The Christian Home

These are exciting studies designed to equip Bible school teachers that produce strong education departments with well-trained teachers. This format is excellent for group study as well as individual study. The classroom lessons contain 12 or 24 lesson series that is accompanied by a Study Guide for each study. To the extent that each of these studies are understood and practiced in the classroom, teachers will be strengthened and new teachers will be developed. These studies will provide the tools needed for churches to grow and develop viable and productive teachers as they teach in their own congregations. The urgency of developing and training spiritual teachers is seen in the fact that many churches have no program for developing teachers. Many of the problems faced in local churches come out of a failure, in whole or part, to train and develop bible teachers.

These studies can be used to train every department within the Bible school from toddlers to the Adult class teachers within the congregation. Bible class teachers will also development a new sense of confidence that will be seen almost immediately. Church leaders would bless the church by making this course available to all who desire deeper study and better lesson planning capabilities.

➤ **The Cost**

Each course consists of 12 or 24 lessons at a cost of about \$149.99 per course (excluding text books optional). After you complete all eight courses, you will receive your Northeast Baltimore Bible Institute & College Certification and be a part of our End-of-Year Ceremony.
